Staying for longer?

Like all our programmes, our **British Culture and Language** programme can be combined with other programmes to make a 2, 3 or 4 week stay.

If you are interested in developing your skills in science, we would recommend combining with the **Introduction to Practical Science programme, STEAM: 'Cracking the code' or STEAM: 'Symmetry'** programme.

If you would like to try a sports programme, why not combine with our **Rowing, Rugby or World of Football** programme.

Alternatively, if you are interested in exploring your talent on the stage, take a look at our **Musical Theatre** programme.

Please see our Programmes page for more information.
